

SPORTS BROCHURE 2023

ABOUT US

O'Reilly Sports Ltd began in 2017, when brothers Martin and Steven O'Reilly believed that there was a demand for custom made sports clothing, made exactly the way the customer wanted. From the humble beginnings of selling bobble hats on a cold day from the back of their car, O'Reilly's has supplied many clubs, teams and businesses throughout the world.

A quality product with a friendly service has been the foundation of the business. Our products are unique, custom-made, just for you. Our fabrics go through rigorous testing and developments, to ensure that it arrives at your door, just the way that we would expect. With on-site embroidery and printing facilities in our Headquarters in Donegal, we offer quick turnaround, an efficient and reliable service at an affordable price for all.

We have enjoyed every minute of our journey so far, and hopefully you will play a part in our next chapter.
